

CALL FOR POSTERS
to be considered for presentation at the
Southern Region Agricultural Education Conference
February 5-8, 2011
 Corpus Christi, Texas

Poster abstracts which report a **completed** idea, research, concept, or innovation that **have not been previously reported** at any AAEE Regional Agricultural Education Research Conference or the National AAEE Research Conference will be considered for acceptance.

Two poster session categories (types) will be accepted -- Innovative Idea (teaching, process and products) and Research. Innovative Idea posters must be a new idea or the creative modification of an existing idea. Research posters must be related to a problem, demonstrate a need for research, and implement the research process. Research should address the national agricultural education research agenda (see: http://www.aaeonline.org/files/researchagenda_longlores.pdf). The innovative idea must be implemented or research must be completed prior to submission.

Poster narratives in each category must be of potential regional or national significance focusing in the areas of teaching, communications, extension and/or leadership. A peer review evaluation process will be used based on the established evaluation forms.

Once accepted, posters will be presented at the AAEE Southern Region Conference in Corpus Christi, Texas. Evaluation will be based upon the poster abstract, design and display, presentation, communication of presenter, significance to the profession, and innovation of idea or related to research poster session (see poster session evaluation sheets available on the web site).
