

American Association for Agricultural Education 2019 Annual Conference

Des Moines, IA – May 21-24, 2019

Call for Research Papers Preparing the Manuscript for Submission

Style

- Except modifications specified in this call, follow manuscript style guidelines as specified by the *Publication Manual of the American Psychological Association* (6th ed.).
- Refer to the Publication Manual (pp. 21 37) for manuscript elements and content.
 - o Omit manuscript elements listed in sections 2.02, 2.03, 2.12, and 2.13.
 - o Do not include a cover page, running heads, or appendices.
 - o Turn off all hyperlinks of URL references.

Manuscript Structure and Content

- Typeface: Times New Roman with 12-point font size, standard character spacing
- <u>Line Spacing and Margins</u>: Single-space between all text lines of the manuscript; double-space between paragraphs, heading and text, and table and text; use uniform one-inch margins.
- Page Limitation: Manuscripts are limited to 12 pages, including title, abstract, tables, and figures
 - o References are not included in 12 page maximum.
 - Use the "insert, page number" command of MS Word to number all manuscript pages, including the first page; center number at bottom of each page. Do not use other footers, headers, or footnotes.
- <u>Title</u>: Center and bold the title at the top of the first page; capitalize only first letters of words in the title.
- Abstract: Type the abstract (200 word maximum) in italics immediately after the manuscript title.
- <u>Suggested Sections</u>: Introduction/Theoretical Framework, Purpose(s)/Objective(s), Methods/Procedures, Results/Findings, Conclusions/Recommendations/Implications, References.
- Body of the Manuscript: Begin the body of the manuscript immediately following the abstract
 - o Main headings should be bolded and centered.
 - o Tables must be prepared using the "Table" function in Microsoft Word.
 - o Tables and figures should be placed within the body of the manuscript as soon as feasible after their first mention in the text.
 - Effect sizes must be reported when reporting statistical significance for quantitative data analyses.
 - o DOI Numbers must be included in references, if available.
- The manuscript should be prepared for masked review.
 - o Information that would identify the author(s) and/or university should be omitted and replaced with [brackets].
 - Remove hidden data and personal information by inspecting documents. Refer to http://goo.gl/j077t for additional information.

Submission Procedures

- Submit one Microsoft Word file (.doc or .docx) to the FastTrackTM system at http://aaae.expressacademic.org/login.php
- At least one author must be a current dues-paying member of AAAE at the time of submission. Papers not meeting this requirement will not be reviewed.
