Suggested Guidelines:

1. Honorary membership may be conferred upon recommendation of the Board of Directors to persons who have distinguished themselves by their outstanding contributions to the objectives of the Association (statement from AAAE Constitution).
2. Recipients of the award should be limited to individuals outside the membership of AAAE.
3. Recipients should have a record of service characterized by being:
 - a. Specifically contributory to education in agriculture.
 - b. National in scope.
 - c. Extended over a period of time longer than one event or one year. (This criterion differentiates the Honorary Membership Award from the Special Awards.)
