CALL FOR POSTERS
To be considered for presentation at the
2019 Southern Region Agricultural Education Conference
February 2- 5, 2019—Birmingham, AL

Poster abstracts which report a *completed* idea, research, concept, or innovation that **have not been previously reported** at any AAAE Regional Agricultural Education Research Conference or the National AAAE Research Conference will be considered for acceptance. All abstract submissions will be peer reviewed.

Poster abstracts must be authored or co-authored by AAAE members. Please note that you will be unable to login the poster submission system if you are not an AAAE member. Membership is verified using the Membership Directory on the AAAE site. Please check your membership status several weeks in advance of the submission deadline.

Two poster session categories (types) will be accepted -- Innovative Idea (teaching, process and products) and Research. Innovative Idea posters must be a new idea or the creative modification of an existing idea. Research posters must be related to a problem, demonstrate a need for research, and implement the research process. Research should address the national agricultural education research agenda:
